

Aligned Professional Learning

Aligned professional learning can contain any professional learning that is geared toward helping you attain your goals, both professional goals and student learning objectives. We invite you to e-mail a TOSA with additions to this short list.

Examples:

- Graduate-level coursework
- Bethel In-service Trainings
- BLIS Classes
- Flash Trainings
- Staff Meeting/Late Start Professional Development
- EEA Seminars
- Collaboration with data team (PLTs, PLCs)
- Conferences/Professional Development put on by ODE or other agency
- Online learning
