

Mid-Year Check-In and Review

You should bring anything that demonstrates progress toward meeting your goals.

Examples for SLGG “to bring”:

- Current data from an interim assessment (you could enter the data on to your original spreadsheet to show a simple snapshot of growth)
- Student artifact or work sample

Examples for Professional Practice “to bring”:

- Evidence of pacing guide, grading scale, etc that may show how you are making progress toward this goal
- A few examples of how you implemented a strategy that is included in your goal
