## FROM THE PRINCIPAL

Dear Parents and Community Members,

At Prairie Mountain, we take pride in our school-wide positive approach to student behavior, our emphasis on reading across all grade levels, our strong commitment to provide quality instruction in a welcoming environment for all, and a commitment to equity and culturally proficient practices. We support student achievement in reading for all students by providing small group reading instruction in the primary grades, and by offering strategic support for students.

Prairie Mountain's emphasis on excellent instruction, student well-being, and academic and personal skill-building aims to help students establish the foundation that they need for future success. Engaging instruction and active parent involvement in

our school help us create a supportive environment for all students K-8.

Thank you for your involvement in your child's education. Families can keep up to date on developments at Prairie Mountain by reading our blog at: [www.bethel.k12.or.us/prairiemountain](http://www.bethel.k12.or.us/prairiemountain). ## STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
