3/7/2017

Dear Future Wolverines,

Willamette High School welcomes the class of 2021! We are excited about next year and want to let you know about an important event that is your student's first step in registration for classes at WHS.

On March 21st, there will be an orientation and scheduling meeting for your student. There are two identical sessions for you to attend. The first session will start in Powers Auditorium at 5:30pm and the second session will start at 7:00pm. Please attend the session that best fits your schedule. Upon arrival, please park in the north lot and proceed to Powers Auditorium.

During the orientation, parents and students will hear from Ms. LeRoux, Principal of Willamette High School, as well as learn about a number of academic opportunities and programs that are available at WHS. After each orientation session, there will be an optional informational presentation on our International Baccalaureate Program (6:30-6:50pm and 8:00 – 8:20pm) in the new lecture hall. The new lecture hall is located upstairs in the new building. Jade Starr, the IB Coordinator, will present key facets of the program and answer your questions regarding planning for freshman year.

Your student will have visited the Willamette campus earlier this month, where they will have heard about opportunities at WHS and received materials to assist them in requesting classes online. Part of our orientation will be supporting the online course request process.

We look forward to meeting with you and introducing you to Willamette High School. If you should have any questions about orientation or any other aspect of freshman life at WHS, please give us a call.

Starting high school is an exciting benchmark in young people's lives and we are excited to embark upon this journey with you!

Sincerely,

Dan Hedberg
Assistant Principal

MISSION STATEMENT

To inspire all students academically and prepare them for success as high school graduates and career professionals who will continue their educations as life-long learners.
