

SEESAW LOGIN INSTRUCTIONS

STUDENT LOGIN ON SCHOOL CHROMEBOOK

- Students will use Seesaw to post to their learning journal as instructed by their teacher. Students have access to a variety of creative tools including recording video/audio, taking photos, drawing and labeling to show what they know!
- Students should login to their school Chromebooks with their **Google logins**.
- Students will launch the Seesaw website by clicking on the **shortcut** or going to **Seesaw.me** on the Chrome browser.
- Students click on **I'm a Student**.
- Students click on **login with Google** and then click one more time on **Login with Google**, finally **clicking on their Google account**. If they do not see their Google account might need to add it.
- Students on school Chromebooks do not need to sign out of Seesaw. Instead, they can just sign out of the Chromebook.

STUDENT LOGIN ON PERSONAL DEVICE PROVIDED BY FAMILY

- Students can login with Google on any other device to get into their Seesaw class.
- If students are using a family provided android device (tablet/phone) or iOS device (iphone or ipad) then the **Seesaw Class app** must be installed.
- Open the **Seesaw Class App** on the device or go to seesaw.me on a computer
- Students click on **I'm a Student**.
- Students click on **login with Google** and then click one more time on **Login with Google**, finally clicking on their **Google account**. If they do not see their Google account might need to add it.

PARENT LOGIN TO SEESAW ON PHONE

- Parents should download the **Seesaw Family App** on their phone to receive notifications when their student posts to his/her journal and also when the teacher sends an announcement or message.
- Parents will need to **create a family account**, separate from their student's account.
- From the app or the website click on **I'm a Family Member** to create an account.
- Your student's teacher will invite you to the class by **text message, email, or a printed QR code**. You can use any of these to connect to your child. If you are unsure of how to connect, please reach out to the teacher to make sure they have your correct phone number or email address.
- If you have more than one child using Seesaw, you can add them! Tap "+ Add Child's Journal" to add another child with the code their teacher provides.
