Dear School District Staff and Administrators,

First, we'd like to thank you for the many years that we have been serving our community together. ECC will be celebrating our 43 year anniversary this month and would like to offer the following to our cherished school district staff, teachers and administrators. In honor of our valued public school educators, ECC will now offer the follow:

Discounted spaces are limited. First come, first serve. All Lane County public school district staff, teachers and administrators are eligible. Care must be received in an ECC K-5 child care location. Employment verification form required.

Our programs are also lifting caps on DHS enrollment and hope to offer additional discounts to families in need as funding allows. Keep an eye out for our early education child care opportunities.

ECC would like to thank you for your on-going service to our local community.

*Sincerely,
Eugene Creative Care*
