public to the appropriate complaint policy. Such information will be conveyed to the Superintendent.

4. Board Member's Relationship to Administration

Individual Board members will be informed about the District's educational program, may visit schools or other facilities to gain information, and may request information from the Superintendent. No individual Board member may direct the Superintendent to action without Board authorization. Board members will not intervene in the administration of the District or its schools.

5. Contracts or Agreements

Bethel School District #52 Administrative Rule

AC. <u>NONDISCRIMINATION</u>

Adopted: 12/2017, 01/2020, 05/2023

Discrimination Complaint Procedure

Any person, including students, staff, visitors, and third parties, may file a complaint.

Complaints must be filed within 180 days of the original incident.

Complaints regarding discrimination or harassment, on any basis protected by law, shall be processed in accordance with the following procedures:

Step 1:

Complaints may be oral or in writing and must be filed with the building principal. Any staff member that receives an oral or written complaint shall report the complaint to the building principal.

The principal shall investigate and determine the action to be taken, if any, and reply in writing to the complainant within ten school days of receipt of the complaint.

Step 2:

If the complainant wishes to appeal the decision of the principal, the complainant may submit a written appeal to the Superintendent or designee within five school days after receipt of the principal's response to the complaint.

The Superintendent or designee shall review the principal's decision within five school days and may meet with all parties involved. The Superintendent or designee will review the merits of the complaint and the principal's decision. The Superintendent or designee will respond in writing to the complainant within ten school days.

Step 3:

If the complainant is not satisfied with the decision of the Superintendent or designee, a written appeal may be filed with the Board within five school days of receipt of the Superintendent's or designee's response to Step 2. The Board may decide to hear or deny the request for appeal at a Board meeting. If the Board decides to hear the appeal, the Board may meet with the concerned parties and their representative at a Board meeting.

The Board's decision will be final and will address each allegation in the complaint and contain reasons for the Board's decision. A copy of the Board's final decision shall be sent to the complainant in writing or electronic form within thirty days of receipt of the appeal by the Board.

If the building administrator is the subject of the complaint, the individual may start at step 2 and should file a complaint with the Superintendent or designee.

If the Superintendent is the subject of the complaint, the complaint may start at step 3 and should be referred to the Board Chair. The Board may refer the investigation to a third party.

Complaints against the Board as a whole or against an individual Board member, may start at step 3 and should be made to the Board chair and may be referred to District Counsel. Complaints against the Board Chair may start at step 3 and be made directly to the Board Vice Chair.

Bethel School District #52 Administrative Rule

The timelines established in each step of this procedure may be extended upon mutual consent of the District and the complainant in writing, but will not be longer than 30 days from the date of the submission of the complaint at any step. The overall timeline of this complaint procedure may be extended beyond 90 days from the initial filing of the complaint upon written mutual consent of the District and the complainant.

Cancels Policy No.: N/A	Dated: N/A

POLICY

A principal, after reviewing available information, may recommend to the Superintendent that a student be expelled. Expulsion of a student shall not extend beyond one calendar year.

A student may only be expelled for any of the following circumstances:

- 1. When a student's conduct poses a threat to the health or safety of students or employees;
- 2. When other strategies to change the student's conduct have been ineffective, except that expulsion may not be used to address truancy; or
- 3. When required by law.

The use of expulsion for discipline of a student in fifth grade or lower is limited to:

- 1. Nonaccidental conduct causing serious physical harm to a student or employee;
- 2. When a school administrator determines, based on the administrator's observations or upon a report from an employee, the student's conduct poses a direct threat to the health or safety of students or employees; or
- 3. When the expulsion is required by law.

The age of the student and the past pattern of behavior will be considered prior to imposing the expulsion.

No student may be expelled without a hearing unless the student's parents, or the student if 18 years of age, waive the right to a hearing, either in writing or by failure to appear at a scheduled hearing.

The Board delegates the authority to decide on an expulsion to the Superintendent. The Superintendent may designate another person to handle the potential expulsion, and the Superintendent, a designee or another individual may act as the hearings officer. The district may contract with an individual who is not employed by the district to serve as the hearings officer. The hearings officer will not be associated with the initial actions of the building administrators. The hearings officer will conduct the hearing and make a final decision regarding the expulsion. A decision of the hearings officer may be appealed by the parent or the student if age 18 or over to the Board for review.

If the decision of the hearings officer is appealed to the Board for review, the findings as to the facts and the hearings officer's decision will be submitted to the Board, and will be available in identical form to the Board, the student and the student's parents at the same time. At a future meeting, the Board will review the hearings officer's decision and will affirm, modify or reverse the decision.

When a recommendation for an expulsion is made and a hearing is not waived, the following procedure is required:

- 1. Notice will be given to the student and the parent by personal service¹ or by certified mail² at least five days prior to the scheduled hearing. Notice shall include:
 - a. The specific charge or charges and the specific facts that support the charge or charges;
 - b. A statement of intent to consider the charges as reason for expulsion;
 - c. The student's right to a hearing;
 - d. When and where the hearing will take place; and
 - e. The student may be represented by counsel or other persons.
- 2. If the parent or student does not understand the English language, the District will provide an interpreter during the hearing. All communications will be in a manner that is understandable to the parents and student;
- 3. The student shall be permitted to have representation present at the hearing to advise and to present arguments. The representation may be an attorney, parent, or other person. The District's attorney may be present;
- 4. The student shall be afforded the right to present their version of the events underlying the expulsion recommendation and to introduce evidence by testimony, writings or other exhibits;
- 5. The student shall be permitted to be present and to hear the evidence presented by the District;
- 6. The hearings officer or the student may record the hearing;
- 7. Strict rules of evidence shall not apply to the proceedings. However, this shall not limit the hearings officer's control of the hearing;
